

March 2010

Pre-K Room

Dear Parents

First of all I would like to apologize for falling behind in your child's learning. I will not let it happen again.

We would also like to welcome Ms. Kellie to our classroom. Starting in April we will be starting a new curriculum.

We will be focusing on writing their names, recognizing their names, numbers, shapes, letters and etc. We will be preparing them for pre-kindergarten and some kindergarten.

Ms. Kellie has been working on some sign language which they have been responding to really well. We are working more on learning and less on playing here at It's A Kidz World.

We also would like to wish Katey a Happy Birthday on March 23rd.

Thank you for all your support.

Thank You,
Ms. Victoria, Ms. Kellie
