

March 2010

Toddler (3) Room

Dear Parents

The children will be learning about the number five, and we will introduce many more signs, shapes and colors.

We will also be doing lots of fun activities. It's Dr. Seuss Birthday. We will be reading and exploring some books by Dr. Seuss.

In week two we will be learning about Dinosaurs, the oval shape, ice age, and eggs.

We will learn about Mischievous Leprechauns, Lucky four leaf Clovers and the colors green and yellow.

In the last week we will be making beautiful Easter projects and also having a parade for Easter.

We would like to wish a HAPPY BIRTHDAY!! TO Lucas on 3/7 and Lucy on 3/9

Thank You
Ms. Jessica
